## Volunteer for the Arts!

The Arts Council of Lake Oswego is looking for volunteers who have a passion and commitment to the arts in Lake Oswego. Work with artists and community members to bring the creative arts to people of all ages in the community. Use your talents, learn new skills, discover and explore areas in the arts that interest you.

- **Gallery Without Walls Docent:** Lead tours highlighting the outdoor sculpture throughout downtown. Some tours are on-call and we will be offering scheduled tours through the summer and fall. Docent training will be held throughout the year. Call to sign up.
- **Newsletter Editor:** Gather articles, information, and photos for the quarterly newsletter. Work with writers and community members to fill the pages with articles about the arts.
- **Follow Your Art! Committee:** Help create a public celebration for the new outdoor sculpture that is placed in Lake Oswego each summer. Join in on the planning, organizing, and marketing of this fun August event that highlights the artists and their sculpture through artists' booths, youth art activities, sculpture tours, music, food and more. Additional outreach activities are ongoing throughout the year.
- **Public Art Committee:** Be part of the team that oversees the public art collection for the City of Lake Oswego. General maintenance of paintings, fine crafts, and outdoor sculpture is an important committee function. Art, art history, or art conservation education or background desirable.
- **Marketing and Fund Development:** Put your skills to work and help the arts grow in our community. Writing news releases, overseeing the promotion of an exhibit, or planning a fund raising event are just a few of the activities involved in these important areas of our organization.
- **Administrative Support:** The Arts Council needs people to help with mailings, set up at events, and general office support-type duties. If you are interested in attending meetings and taking notes we could use your help, too. Computer skills are a plus! Help out, plus learn more about what it takes to bring the arts to life in our community.
